Although he graduated in 1911, Hugh was also a "weekend member" of the Zebras varsity basketball team as he commuted from his freshmen year at Notre Dame.

After his initial year at Notre Dame, Hugh transferred to Indiana University where he majored in economics and graduated in 1915. While at

I.U., Hugh played varsity football, varsity basketball, served as member of the Union Board, and was elected as the senior class president.

After a stint in the army during the First World War, Hugh returned to Rochester as the editor and publisher of *The Sentinel* in Rochester. Upon his father's death in 1934, he became the head of the Rochester Telephone Company at a time when the company served 1,400 customers. Hugh worked in the telephone and the newspaper business until 1956, when Jack Overmyer took over as the editor and publisher of *The Sentinel*.

On June 25, 1928, Hugh married Martha Anspach. The couple had no children, but they spent much of their time, energy, and enthusiasm for the betterment of the city of Rochester and the young people who attended Rochester Community Schools. In 1972, Hugh and Martha donated money to RHS for the construction of the new athletic field, which was named Barnhart Field by the Board of Education. Hugh and Martha's continued generosity over the years has allowed RHS to make needed renovations and improvements to the athletic facilities.

Clyde Lyle, Head Basketball Coach 1932-1949

Clyde Lyle is simply the most successful basketball coach in the history of Rochester High School. Coach Lyle guided the Zebras to 230 wins against only 130 losses in his 15 year career at RHS. In 1983 at a reunion of former players one stated, "This night shows what a tremendous influence one man has had on so many lives. As far as we're concerned, he is a legend."

In his 15 year basketball career at RHS, Coach Lyle led the Zebras to seven Sectional championships and one Central Indiana Conference championship. Three Zebra squads, led by Lyle, claimed Regional Championships, and in 1937/38 RHS made it to the final four of the IHSAA State Tournament. Coach Lyle was inducted to the Indiana Basketball Hall of Fame in 1969.

After Rochester High School, Clyde Lyle accepted the position of Director of Physical Education and Athletics for the Hammond City School Corporation. Garry Daniels, Class of 1938

Garry Daniels was one of the first great distance runners to compete for Rochester High School. After his sophomore year at Plymouth, the Daniels family moved to Rochester and he began his Zebra career under legendary coach Clyde Lyle.

As a Zebra track athlete, Garry participated in the 1 mile relay, the ½ mile relay, the 440 yard run, and the 880 yard run. At one time, Garry and his teammates held records for all of those events. In 1937, as a junior, Garry represented RHS at the state track meet and won the 880 yard run. He went on to qualify for the 1938 state meet during his senior season, but was unable to compete due to illness. Garry's 880 yard record was broken by fellow inductee, Jerry Freyberg. Although the high school

yearbooks did not recognize an "official" Cross Country team, it was generally considered a good conditioner for the high school basketball players and Garry loved the distance.

It was that love for distance running that prompted Garry to turn down a full scholarship at Notre Dame in order to accept a partial scholarship to attend Indiana University. I.U.'s coach was the legendary coach, Earl "Billy" Hayes. As a Hoosier, Garry ran with Olympians Fred Wilt, Campbell Kane, and Don Lash. Their cross country and track teams were Big Ten champs in 1940 and the Cross Country team finished as NCAA National Champions. After two years of competing at I.U., Garry chose to enlist in the service during the Second World War and he served as a flight instructor in the Army Air Corp throughout the war.

Garry passed away in August of 2000. He is survived by his wife, Zanna Davisson Daniels who still lives on Lake Manitou and by three children, Debra Dyer, Denise Johnston, and Dr. Dan Daniels (who was also a Hall of Fame nominee).

While the state championship was the crown on her career at RHS, it must be noted that Alisha was a phenomenal athlete that had a remarkable career as a Zebra. She earned 3 varsity awards in volleyball under Coach Katie Felke, 4 varsity awards in basketball under Coach Scott Mills, and 4 varsity awards in track under Coaches Clint Shoultz and Brad Smith. Alisha attended Bethel College in Mishawaka where she earned her Bachelor of Arts in Sports Management. While at Bethel, she was an NAIA All-American in the high jump and an all MCC performer in track. In volleyball at Bethel, she helped lead her teammates to three MCC championships. Alisha led the squad in kills, in blocks and in aces per game and was named All MCC in volleyball for her efforts.

Jerry Freyberg, Class of 1976

During his career at RHS, a local Sentinel sportswriter noted that Jerry Freyberg had logged more than 5,000 miles of running. That work ethic, determination, and will to become the best led to his nomination and induction into the RHS Hall of Fame.

He earned 8 varsity letters as a runner at RHS. His senior year in Cross Country, Jerry finished his regular season cross country schedule undefeated and he set a new NLC record at the Plymouth Country Club course. He later became the first RHS athlete to qualify for the state cross country meet and the next weekend, he placed sixth at the state meet.

As a track athlete, Jerry was the most valuable runner for three seasons. He held records in the 880 yard run, the mile run, and the two mile run. In his senior year, Jerry qualified for the state meet in the two mile run but finished out of the “money” after being knocked down on lap number four. With a bloody knee from the spill, Jerry got up finished the race and his career at RHS.

Jerry attended Southwestern Michigan College on a cross country scholar; one of the best distance running programs in the nation. For his two years at SMC, Jerry was one of the top runners in every meet. As a freshman, he finished 31st out of over 200 runners in the National Junior College championship meet. As a sophomore, Jerry earned All American honors as he finished 20th in the field of 233 runners. Jerry finished his collegiate career at Central Washington University.

While at Rochester High School, Aaron participated year round as an athlete. Besides his favorite sport of basketball, in the fall, he played singles on the tennis team and helped Coach Charlie Rathburn’s squad to back to back Sectional tennis titles. Aaron spent his springs out on the baseball diamond at RHS as a pitcher and first baseman under Coach Rick Greene.

Upon graduation from RHS, Aaron attended Modesto Junior College in California where he earned Most Valuable Player and All Conference honors on the basketball team. He finished his collegiate career as a Butler Bulldog.

Aaron and his wife, Marla, live in McCordsville, Indiana. They have three children, Gavin, Reese, and Elizabeth.

Coach Galen Smith

With over 230 career wins, Galen Smith will go down as one of the most successful basketball coaches in Rochester High School history. Galen Smith played three sports under the guidance of Hall of Fame Coach Bob Macy at Chili HS. He continued his education and playing career at Western New Mexico University.

Galen’s coaching career started at Clayton High School, then to Chili, along with two 4 year stints at Darlington and Oak Hill. In those first 4 coaching stops, Galen managed to win 130 games and 8 tourney or conference championships. At Oak Hill, Galen led the Golden Eagles to a Sectional and Regional title and was named Grant County Coach of the Year in 1970-71.

Galen’s 1974/75 team and 1978/79 team were both crowned NLC champions and went on two win Sectional titles for the Zebras.

After the 1979/80 season, Galen stepped down as the head coach of the Zebras. However, he continued to teach at RHS, officiate basketball, start track and cross country meets, coach at every level, and help with the FCA. He is a true servant to our students and community.

Galen still lives in Rochester with his wife, Joyce. They have two sons, Kerry and Greg and a daughter, Susan Smith Halterman.

Parke & Fran Baxter

Parke and Fran Baxter were nominated as a couple who have spent much of their lives in support of Rochester High School student-athletes and the athletic department. Parke graduated from Purdue University from the pharmaceutical school in 1950. Fran graduated from Manchester College in 1949 with a degree in secondary education. In Rochester, Parke owned and operated Baxter Drugs for many years, while Fran taught and coached at the middle school.

Besides Fran's involvement as the coach for the 6th and 7th grade Girls Basketball at Rochester Middle School, Parke and Fran have always been around to help kids in Rochester. In 1969, with the help of the late Clarence Martens and Lloyd

Adley, Parke provided financial support for the Baxter's Beauties girl's softball team. They helped with uniforms, equipment, and the trips to the state and national tourneys for the team.

In 1965, the Baxter's accompanied Coach Ken Pennington and the first group of RHS boys to Fellowship of Christian Athlete's camp. Over the years, Fran and Parke have attended many FCA camps and weekend retreats as well as providing financial support. Fran was the first sponsor for the girls FCA huddle and was instrumental in Laura Newcomb and Susie Bair winning 1977 FCA National Girls Athlete of the Year Award.

Over the years, the Baxter's have helped in many ways. Most recently an 8th lane was added to the track at Barnhart Field and an irrigation system was added to the soccer fields at Blacketer Sports complex thanks to the generous support of Parke and Fran. However, the most important contribution is the support that they have given to thousands of RHS athletes as lifetime season ticket holders and loyal Zebra fans in the stands!
